2020 Freshman writing section

At the UW, we consider the college essay as our opportunity to see the person behind the transcripts and the numbers. Some of the best statements are written as personal stories. In general, concise, straightforward writing is best and good essays are often 300-400 words in length.

Essay prompt [required]

Tell a story from your life, describing an experience that either demonstrates your character or helped to shape it.

Maximum length: 500 words

Short response [required]

Community might refer to your cultural group, extended family, religious group, neighborhood or school, sports team or club, co-workers, etc. Describe the world you come from and how you, as a product of it, might add to the diversity of the UW.

Maximum length: 300 words

Tip: Keep in mind that the UW strives to create a community of students richly diverse in cultural backgrounds, experiences, values and viewpoints.

The Trustee Scholarship Essay:

Please choose from one of the two prompts below and submit one essay, in 600 words or less, as part of your application through the Common or Coalition Application.

- 1 School can often seem like work: a set of responsibilities, obligations, and tasks to be completed. But Trustee Scholars are creative and curious, rather than merely dutiful. Give us a glimpse of an intellectual pursuit or challenge that absorbs you, gives you joy, or provokes your curiosity, and tell us why.
- 2 One of BU's most distinguished alumni, Dr. Martin Luther King, Jr., wrote that "The time is always right to do what's right." Is there a time when you sought equity and fairness by challenging a social norm? Or, can you share an example of how you can imagine yourself helping to create a more inclusive and fair community?
