Welcome to FAIR - UTSC

University of Toronto (UofT) is the top university in Canada and highly ranked in the world. The University of Toronto Scarborough (UTSC), one of three campuses at the University, has developed a successful special admissions pathway named FAIR- UTSC (Facilitated Admissions - International Recruitment). This highly student supportive program is a unique process to admit academically qualified international students into the undergraduate programs at UTSC.

The program focuses on the expectation of active participation, research skill development, academic support and a thorough understanding of academic integrity. In addition to intensive study of academic English, students learn to adapt to their new life in Canada. After successful completion of the program, students begin their first-year undergraduate studies. Upon receiving their undergraduate degree, students are well positioned to continue into advanced degree programs or compete for highly desirable positions with top
